Resident Business Spotlight

Countryside International Plantains

How long have you lived in the neighborhood and what is your favorite thing about living in Meridiana?
I've been a proud resident of Meridiana for about 3 years. What I love most about living here is the strong sense of community and support. From the friendly neighbors to the beautiful amenities like the parks and trails, Meridiana truly feels like home.

Share a little bit about your background.

I have a business background and an MBA from the University of Texas at Austin. My journey led me to become a co-founder of Countryside International LLC along with my childhood friend who also lives in Texas. Countryside International is a Consumer Foods startup dedicated to providing wholesome snacks inspired by international flavors.

Tell us a little bit about your business. Why did you start it? How is your product special or different from other products in the same category? How do you think your business fits a special niche that is needed?
Countryside International LLC was born out of a desire to offer healthier snack options that celebrate cultural heritage. Our flagship product, Crunchie Snacks Plantain Chips, stands out in the market for its unique combination of flavors and dedication to quality. What sets us apart is not just our commitment to using naturally ripe plantains, but also our triple certification. Crunchie Snacks is proudly Non-GMO Project Verified, certified Gluten-Free, and RSPO certified for sustainable palm oil sourcing. These certifications underscore our dedication to transparency, sustainability, and providing wholesome snacks that meet the highest quality standards. We believe our products fill a special niche in the snacking industry, catering to consumers seeking authentic, globally inspired treats without compromising on taste or integrity.

Do you have any exciting news such as new services, special events, etc. to share for this year that you would like residents to know about or look out for?

We are thrilled to announce that Crunchie Snacks is now more accessible than ever! You can find our delicious plantain chips available for purchase at various platforms including Amazon.com, Walmart.com, our official website www.countrysideintl.com, and select local stores nearby. Keep an eye out for exclusive promotions, exciting events, and new flavors coming your way this year!

Spotlights of the Month

Family Spotlight

The Joseph Family

We are the Joseph Family! My name is Jake Joseph, and I'm an educator and coach. My favorite thing to do around Meridiana is fish. My wife, Sierra, is also an educator and is the 2023-2024 District Teacher of the Year for Fort Bend ISD. We have been married for nine years this June.

Our oldest son, Emmanuel, loves to read and do experiments; he dreams of becoming an astronaut one day. Our middle child, Gabriel, enjoys playing sports and hanging out with his big brother. Our youngest, Jordyn, loves to play dress-up.

We enjoy living in Meridiana because it's filled with good-hearted people we meet during our Family Fridays. Our family Bible verse is: "As for me and my household, we will serve the Lord." - Joshua 24:15

Volunteer Spotlight

Tezzie Gilbert

My name is Tezzie Gilbert. I am passionate about volunteering in my community. I enjoy meeting people, building relationships and friendships, and most importantly, being of service to others. Seeing the smiles on the faces of our families within the community is so refreshing and rewarding! I hope I can continue to serve and spread joy for years to come.

Spotlights of the Month

Pet Spotlight

Bluey

Bluey is a 2 year old Australian Cattle dog, also known as a Blue Heeler. Heelers are known as working dogs, but Bluey's job is a bit different than most, it's to make people smile. Bluey dresses up for every occasion, but his favorite opportunity to sport an outfit is when visiting nursing homes and libraries as a therapy dog. Heelers can have a lot of energy, but that doesn't mean Bluey isn't a couch potato when not playing fetch or running along trails. One crazy fact about Bluey is he has his own "car" which is remote controlled that he will ride in style in at different parades. You can follow his adventures @BlueyHTX

A Word from the HOA

Summer is Here – Beat the Heat!

Heatwaves are happening in Texas, but there's a lot we can do to protect ourselves and our loved ones. Here are a few tips to keep our Meridiana residents cool this summer:

Get your flip flops on and come cool off at Adventure Cove. We are hoping our owners are enjoying Meridiana's state-of-the-art complex by relaxing in the wave pool or floating down the tidal river.

Come take a dip in our Family pool. Our family pool is enjoyed by majority of our younger Meridiana owners while they run through the splashpad and slide down the two fun water slides.

During the hot weather, it's important to make your home a place you can escape to get out of the heat, so keeping cool is key to feeling comfortable. Keep your windows and doors shut when the sun is shining out during the hottest parts of the day can help keep the cool air in and the hot air out!

Come to Café Sol and eat a light meal to feel cooler. When it's hot, you are far better off sticking to light, well-balanced, regular meals. Food with a high-water content like strawberries, cucumber, celery, and lettuce, will also help to keep you hydrated and cool.

Exercise on one of many Meridiana's trails early in the morning to avoid the heat. It's important not to disrupt your routine too much because of hot weather, but sometimes you may have to. An early morning run may feel punishing when you're nice and sleepy in bed, but it could be dangerous to exercise in the blazing midday sun and risk dehydration, heat exhaustion or heatstroke.

We hope all of our Meridiana owners are enjoying the many amenities Meridiana has to offer and staying cool this summer.

Explore Meridiana

This month visit the Meridiana Learning Labs.

Each lab is full of science and wonder to captivate your mind with thought and adventure. While you are at each lab, take a selfie.

Once you have taken a selfie at each lab bring it to a guest relations specialist at the Welcome Center to receive a Gift Card to Cafe Sol for a complimentary dessert.

STOP #1

MERIDIAN TOWER

The iconic 60-foot tower is not just a sculpture, it's a sophisticated sundial that works with the Sky Map (part two of this learning lab) to show how the earth moves around the sun, based on the time of day and time of year by the shadow that it casts. Meridiana partnered with Dan Lester, Ph. D. of University of Texas, McDonald Observatory to get it right.

Stop #2

SKYMAP

The Meridian Tower sits at the center of a map (in the center of the Oasis Village) and tells you the time day and date based on its shadow. The Sky Map is what the Meridian Tower casts its shadow upon. And it marks key dates, showing the sun's movement from horizon to horizon throughout the year. In fact, the Sky Map doesn't stop at the end of the tower's shadow. The walkways radiating from the tower align perfectly with sunrise and sunset during the winter and summer solstices, as well as the equinox.

GALILEO'S LAB

It looks suspiciously like a playground but it's actually an outdoor classroom. That doesn't mean learning can't be fun. Named for the Italian astronomer/natural philosopher Galileo Galilei (1564-1642) who is considered the father of science, this Lab reminds you that the answers are in the stars. A planetarium maps the constellations, sextants show how early explorers navigated by the stars, and telescopes keep your eye on the sky. Just to name a few experiments. Located just off Meridiana Parkway to the right of the entrance.

Have fun exploring the Meridiana Learning Labs and don't forget to bring your selfies to the Welcome Center to collect your Café Sol gift card for a complimentary dessert.

If you would like your selfies to be included in the July Newsletter, please email them to spring@risecommunities.net by June 15, 2024.
