A NOTE FROM YOUR HOA

It's Summer!

I frequently hear “Meridiana is a great place to live,” and I certainly agree with them. From the location of the Community, the exciting summertime activities, Adventure Cove opening, to the joy and serenity of walking through the lush, green community, to the peaceful feeling that one gets living in an oasis in the middle of a modern and busy city with easy access to so many summer getaways. Meridiana is truly something special.

I’d like to take this opportunity to welcome all new members of our community and congratulate you on finding this great place to live. Most homeowners choose Meridiana because it is the most impressive of many communities around. The Community is diverse and beautiful, our amenities are many, and living in Meridiana is safe and enjoyable. Owning a home here is very desirable and a tremendous investment as well.

As I write this I encourage all neighbors to enjoy the new Adventure Cove, many summer activities this upcoming summer, and even have a bar-b-que with a new neighbor. I encourage all homeowners to attend community events as they are announced and get involved in community activities. You’ll be glad you did and will be meeting new neighbors throughout.

Have a great Summer!

MERIDIANA OPENS ADVENTURE COVE RESIDENT-EXCLUSIVE FAMILY WATERPARK EXPERIENCE

The top-selling Texas 288 community of Meridiana has opened the first aquatics experience in a Houston master-planned community to combine the features of an exciting wave pool, winding tidal river and resort-style recreation pool with cascading waterfalls into an amenity village setting.

“It’s like having a family waterpark right in the neighborhood,” explains Matt Lawson of Meridiana developer Rise Communities. “Amenities make a community and they’re a big reason why we continue to have such success.”

Framed by lush landscaping, Meridiana’s Adventure Cove offers a fitness center, outdoor fitness space for group classes, spacious open lawn and pavilion and food truck parking for up to three operators with outdoor, picnic-style seating. Ample lounge seating with umbrellas, cabanas, chaise, and deck chairs are available throughout the setting.

Adventure Cove’s aquatics features are open to residents on the weekends until Memorial Day, when it remains open daily through Labor Day weekend. Its other fitness and recreation elements are open year-round.

Residents also enjoy unlimited use of the community’s waterfront, resort-style Oasis Village featuring Café Sol, family pool with cabanas, lap pool, splash pad, fitness center, fishing pier, outdoor play area, all-weather ping pong and foosball tables, shaded sitting areas and lush central lawn. Plus, Meridiana offers 100+ acres of parks and more than 50 miles of paved trails.

For three consecutive years, Meridiana has ranked among the nation’s 50 top-selling master-planned communities as reported by RCLCO Real Estate Consulting.

To reach the community, take the Meridiana Parkway exit from Texas 288, just minutes south of Pearland, heading north or south.

BEST DIY HOME *Renovation Tips*

Home renovations don't always require a big budget. With some planning and know-how, you can DIY your way to functional, updated spaces without spending a fortune.

1 UPDATE A BATHROOM

Add new life to an old bathroom without a major remodel. Start by removing old wallpaper or repainting in a fresh new color. Update the lighting to fit your style, and trade old hardware for a new sink faucet, towel bars, and vanity pulls.

2 PAINT (ALMOST ANYTHING)

Nothing creates an instant facelift quite like a fresh coat of paint. Create a feature wall by painting one wall in the room a contrasting color. Or Update your kitchen cabinets by painting them in on-trend colors.

start
YOUR PROJECT

THE *Nimesh* PATEL GROUP
@ RE/MAX FINE PROPERTIES

3 ADD STORAGE

Create your own built-in storage using unfinished stock kitchen cabinets you can find at the hardware store. Upper cabinets tend to be less expensive than lower cabinets and can be configured in a variety of widths and sizes to create a custom look.

4 CREATE A HOME OFFICE

Working from home is here to stay, so it might be time to invest in upgrading your space. You don't need an entire room — plenty of people are turning a quiet corner, nook, or even a closet into a home office.

5 MAKE IT STICK

Peel-and-stick tiles are a quick and easy way to update floors, walls, and backsplashes. With proper installation, peel-and-stick tiles can last anywhere from five to 25 years.
